MANAGER'S SUMMARY

The under 16yrs County team took on a double header against Hertfordshire 1 & 2 teams on Sunday.

On this occasion we were too strong for them, Leicestershire stormed ahead and won both matches 18- 2 and 19-1.

Unfortunately Owen was ill the night before and we were unsure if he would play but he managed to play the first match then Will stepped up from the under 14yrs team making his debut in the under 16yrs team and played in the second match.

Well done guys to another good couple of wins under our belt, on our way to the Shires finals!
